**Urology Medical Congress**  
**Location:** Barcelona, Spain  
**Date:** 16 - 20 April 2010

### Congress description

The landmark EAU 25<sup>th</sup> Anniversary Congress will be held in the beautiful city of Barcelona, the capital of the region of Catalonia in Spain. We will be celebrating a silver jubilee event which will bring together medical professionals from around the world. Over the last 25 years, the EAU has consistently served as a platform for urological professionals to share new insights and improve knowledge, with the common goal of improving patient care worldwide.

A wide range of topics and pressing issues in our specialty will be presented, including paediatrics, bladder cancer, female urology, renal cell carcinoma, reconstruction and functional urology, benign prostatic obstruction and stones, to name but a few.

The landmark 25th Annual EAU Congress will be held in the beautiful city of Barcelona in Spain, in the weekend from Friday 16 to Tuesday 20 April 2010.

We will be celebrating a silver jubilee event which will bring together medical professionals from around the world. Over the last 25 years, the EAU has consistently served as a platform for urological professionals to share new insights and improve knowledge, with the common goal of improving patient care worldwide.

The success of the Annual EAU Congress underlines the crucial role of the scientific programme's quality. In recent years we have not only seen an increase in the number of participants but also the growth and development of what is now an outstanding scientific programme. A wide range of topics and pressing issues in our specialty will be presented, including paediatrics, bladder cancer, female urology, renal cell carcinoma, reconstruction and functional urology, benign prostatic obstruction and stones, to name but a few.

The 25th Annual EAU Congress in Barcelona expects to attract more than 11,000 delegates and approximately 3,000 company representatives.
